Additional Information and Requirements

- Each bridal hairstyle is scheduled for 45 minutes within the wedding day schedule. This time is reserved for each service to allow for a smooth and efficient schedule throughout the day. While some hairstyles may take slightly less or more than the

allotted time, the 45-minute service window allows these differences to balance throughout the overall schedule and helps ensure that the bridal party remains on track.

- On the wedding day, we ask that all members of the bridal party arrive at the salon/venue by the designated start time, regardless of their individual service time. This allows us to maintain a smooth and efficient schedule throughout the day and ensures we are ready to begin each service as soon as possible. Our schedule may occasionally run ahead of the anticipated timeline, so having everyone present and ready helps us stay on track and provide the best experience for everyone.
- All members of the bridal party are required to arrive with clean, completely dry hair. We recommend washing your hair the day before or up to two days prior to your scheduled service. Please avoid arriving with excessively oily or heavily product coated hair, as this can affect the longevity, hold, and overall finish of your hairstyle. Properly prepared hair helps ensure your curls and style remain beautiful and secure throughout the day.
- In the unlikely chance of illness, injury or termination of a stylist on the day of your event, we will work to provide a replacement stylist but accommodations may need to be made on the brides part for schedule changes.
- You are welcome to bring any food and drinks on the day of to the salon. You can customize music and make yourselves comfortable!
- A valid credit card is required to be kept on file for all bridal bookings. No charge will be made to the card unless the cancellation policy applies. The card on file may be used to collect any applicable cancellation fees outlined in this contract.
- If you would like to add additional members to your bridal party or add styling services, please notify us at least 30 days prior to the wedding date. This allows us adequate time to adjust the schedule and, if necessary, arrange for an additional

stylist to accommodate the added services. Additional services may result in an adjustment to the overall service timeline and cost.

- Clients who plan to wear hair extensions for their wedding day hairstyle are required to disclose this information prior to booking. Please inform the stylist of the type of extensions being worn (including tape-ins, hand-tied or machine-tied wefts, I-tips, K-tips/fusion, clip-ins, halo extensions, or other methods) so adequate time can be scheduled for the service.
